

Henry Ford Museum of American Innovation - Made in America Display

Magical Michigan

6 Days | July 22-27, 2018 | Only \$684 PP/DO, Single \$886*

Departs: Lincoln, NE | Omaha, NE | Co. Bluffs, IA | Des Moines, IA | Coralville, IA

Highlights Included:

The Henry Ford Museum - Also known as the Henry Ford Museum of American Innovation and Greenfield Village. This large indoor & outdoor museum complex is in Dearborn, Michigan. Visited by 1.6 million people a year, the buildings span 12 acres. The collection contains antique machinery, pop culture items, automobiles, locomotives, aircraft and other things which helped shape our modern world. **Included in the tour:** An all-day ride pass for the Model T's, horse & carriages, steam train, and merry-go-round.

River Rouge Plant & Dearborn Truck Plant - The industrial complex has been used to build cars since the Model A. Here you'll see the auto manufacturing plant in action building Ford F150s.

Henderson Castle

Bavarian Inn

Frankenmuth - A charming Bavarian town. A step-on-guide will give you an overview of the town so you'll know exactly where you'll want to visit during your free time.

Bavarian Inn - Enjoy lunch on us at this architectural gem. You will feel as if you are in the heart of Germany

Henderson Castle - Feel like royalty on this behind the scenes tour. In addition to exploring the 11,000 square foot mansion, you'll see areas not generally open to the public: basement, organic gardens, and the wine cave. The Henderson Castle sits on three acres and operates as an inn with restaurant, vineyard and day spa. There are 10 themed guest rooms and a cottage.
